

## About us

Reflex Vehicle Hire are one of the UK's fastest growing, Top 1000 Companies to inspire Britain and Europe. With a fleet of over 5,700 vehicles and 85 plus employees operating from a 4-acre base at Loughborough, just a few minutes from the town centre and 15 minutes' walk from the train station.

Our Award-Winning Duty of Care package sets us apart from other commercial vehicle rental companies. We are the only rental business to hold the FTA Van Excellence Accreditation.

## Job Description

Do you have Vehicle Electrics/Telematics experience?

An excellent opportunity within the company has become available. We are offering excellent long-term career prospects and the opportunity to increase your earnings and develop your skills.

You will be installing bespoke vehicle electrics, telematics devices and cameras into a broad range of vehicles. The job is based on our workshop in Loughborough but will also require traveling to meet customers and perform installations on their site.

This role suits an Engineer with vehicle electrics/telematics experience.

## The Person

- Cars/LCV electrics/telematics experience.
- Full driving licence.
- Experience in multi-cam installations.
- Enthusiastic individual able to adapt to new products and procedures.
- Professional and can-do attitude.
- Hardworking and flexible regarding working hours and travel.
